Shipment of Semen

12. Breeder reserves the right to approve All locations where Semen will be shipped and will Only ship to those locations where Cooled Semen will be handled properly.

13. Semen will be shipped Federal Express, priority overnight delivery, which generally Arrives by 10:00 am the following day. Certain types of Federal Express service are not Available in some areas; it is the Mare Owner's responsibility to contact Federal Express to learn of any delivery limitations in his/her area and to notify us of how the shipment can reach him/her the next day. Any additional charges/fees for alternative shipping will be billed to Mare Owner.

14. No warranty, express or implied, shall accompany the Cooled Semen transferred under the terms of this Agreement. Even though Breeder will make every attempt to get Cooled Semen to your Mare in a timely manner and in good condition. mare owner acknowledges that breeder cannot guarantee delivery within a certain time period, nor that the Cooled Semen will safely reach insemination destination without losing its Integrity, quality or characteristics.

Cooled Semen Handling

15. Mare must be inseminated within 48 hours after collection of the Semen by a licensed veterinarian or technician. Please note that calculation of the 48 hours begins with the time of collection, NOT, the time of receipt/delivery of the Semen at the insemination destination.

16. The Semen shipped may be used for the Mare designated in the Contract only and may not be used to inseminate any other mares. Mares not impregnated by the second shipment shall not receive a third shipment until the mare has a uterine culture and is cleared of any problems by a licensed veterinarian.

Live Foal Guarantee

17. Mare owner must furnish a veterinary certificate confirming that Mare is or is not in foal as a result of the Cooled Semen insemination within 60 days post breeding. Failure to notify Breeder within 60 days will void the Live Foal Guarantee.

18. Live Foal shall be defined as a foal that shall stand and nurse without assistance and Survive the first 24 hours, or if the Mare does not settle, a return season will be guaranteed the following year, only, provided proper notification is given to Breeder. A veterinarian's Breeding soundness certificate, including uterine culture shall be provided prior to the next Breeding season.

19. Proper notification shall be defined as written certification by a licensed veterinarian within (7) days from the date Mare is proved not to be in foal or loses her foal as set forth above and Mare Owner must certify that such abortion or death did result from any act or omission of the Mare Owner. Failure to provide notification as set forth above shall void the Live Foal Guarantee.

20. The Live Foal Guarantee shall be void if Mare is abused, participates in a race training or a racing event, or otherwise participates in hazardous activity after being pronounced safe in foal.

21. Booster rhino pneumonitis vaccinations must be administered as indicated by the Mare Owner's veterinarian as the Mare progresses through her pregnancy. Failure to do this will void the Live Foal Guarantee.

Color Guarantee

(APHA Homozygous Stallions Only)

22. Breeder guarantees that the foal shall have sufficient color to be registered in the APHA Regular Registry in accordance with the APHA Color requirements. If, under APHA color requirements the breeding results in a breeding stock foal, Mare Owner will be entitled to a return privilege with the same Mare, or an approved substitute, the following season only.

Registration Application

23. The Registration Applications shall be issued to Mare Owner only after Mare Owner notifies Breeder that said Mare has produced a live foal and only after payment of all bills due on said Mare have been received. Requests for registration may be made in writing or by phone.

Miscellaneous

24. The breeding season in force in this Contract shall begin March 1, will Suspend during the APHA World show if stallion is competing and will Close August 15 of the year covered by this Contract. Breeding to any show stallion will require working around show calendars. Stallions cannot be collected while at shows and right before a show if it will interfere with their performance.

25. It is further agreed that should the above stallion die or become unfit for service, or if the above Mare dies during the breeding season, then Mare Owner may substitute another mare or breed the above named Mare to another Stallion, owned by the Breeder and standing that year or use frozen semen if available.
